

The Fork

There's a Fork in the road. We suggest you take it.

Point Reyes Farmstead Cheese Company is all about capturing and sharing the incredible natural flavors of the Giacomini family farm.

So what better place to explore those flavors than a state-of-the-art kitchen, gorgeous dining room, scenic outdoor patio space and walkable edible garden...right on the property? The Fork has something for everyone, and always something new, for anyone who loves not only cheese, but great, seasonal, locally sourced food.

Custom built in 2010, The Fork offers farm tours, culinary classes and focused

tastings to help guests better understand and appreciate sustainable family farming and artisan cheesemaking. Incredible monthly dining events showcase the bounty of our agriculturally-rich region.

The Fork makes a fascinating, unforgettable location for private and corporate events. We offer full catering, team building, farm-to-table programs and more to make your educational experience truly memorable.

CALENDAR OF EVENTS, RESERVATIONS & GIFT CERTIFICATES AVAILABLE ONLINE
